Fair Description	1. Tokyo International Gift Show 2026 is Japan’s premier B2B trade exhibition for gifts, lifestyle products, home décor, fashion accessories, and design-led consumer goods, held biannually at Tokyo Big Sight, Tokyo. 2. The show hosts over 2,700+ exhibitors and attracts more than 220,000 trade visitors, including importers, wholesalers, retailers, department stores, designers, and corporate buyers from Japan and across international markets. 3. As one of Asia’s largest and most influential sourcing platforms, it provides unparalleled opportunities for manufacturers, exporters, and brands to showcase innovative products, build strategic partnerships, and access the highly sophisticated Japanese market. 4. The exhibition features thematic zones, curated showcases, and a comprehensive business programme, complemented by strong international participation, national pavilions, and extensive media outreach to maximize visibility, networking, and commercial outcomes.
